

# Let's Play Paintball!

Paintball is lots of fun and it's FREE! First-Time Campers can select "Paintball Camp" as one of their FREE CLINICS (a \$60 value!) this summer! Paintball Camp features 2 paintball sessions, one of which will be an inter-camp tournament! To sign up for this FREE CLINIC just indicate "Paintball Camp" as your FREE CLINIC on the Clinic Sign-Up Form. The Clinic Sign-Up Form must be submitted with your enrollment application to qualify. Paintball Camp is operated every 2 weeks

and is available throughout the summer. Paintball is also offered as a daily activity. Campers aged 10 and older are eligible to participate and can sign up for as many sessions as desired. Paintball markers, protective masks and supplies are provided. Each paintball activity session extends approximately 3 hours and is charged at the rate of \$30.00 per session. An activity release form must also be signed by a parent.
